

SURFERS
Catering

Surfers Away.

With Surfers Away, we bring Surfers beyond the restaurant and into your meetings, offices, events, and dinners, offering a flavorful and fun alternative to traditional corporate catering.

Treat your guests to our best-selling shrimp balls served in a mingling format, a seated dinner with service staff and a chef on site, or order our set takeaway menu delivered by courier.

Menus are always tailored to the occasion, number of guests, and specific preferences.

Surfers Stockholm is an established restaurant located at Norrlandsgatan 24 in Stockholm, focusing on authentic Chinese cuisine, rooted in Sichuan but inspired by all of China.

We offer catering and larger takeaway orders within the Stockholm area.

- Corporate events, kick-offs & client events
- Authentic Chinese dishes to share
- Catering with or without staff
- Tailored menus & consideration for allergies
- Catering for offices and meetings
- Food and storytelling

We can also add presentations about the dishes, ingredients, and Chinese dining culture to create an even stronger dining experience, if desired.
